The Women's Council Scholarship is offered to students participating in a technical field of study within the building industry. The scholarship is available to either part time students who are working in the industry or full time students. Scholarships are awarded based on career goals, academic achievement, and work experience and community service. Applicant's cumulative grade point average must be a minimum of 3.0 (on a 4.0 scale) to qualify. Applicants must be U.S. citizens. Selection of recipients is by the scholarship committee of the Women's Council of the Home Builders Association of Saginaw.

Industry related fields qualifying for this scholarship include, but are not limited to, the following: General Contracting, Construction Management, Architectural Programs, Interior Design and Trade Apprentices.
